If you were unable to attend the presentation in January, it is available on your student's Google Classroom grade level page. CCP is open to students who will be in 7th-12th grades for the 2022/2023 school year. Completing this information does not commit your student to anything, but per ODE rules, they cannot participate in College Credit Plus if these steps are not completed. Please be aware that this is required each year to be able to participate, including taking CCP courses at Urbana High School. If you have any questions, or to be sent the CCP link, please contact Mrs. Leonard in the Counseling Office at 937-653-1425 or at [Valerie.Leonard@urbanacityschools.org](mailto:Valerie.Leonard@urbanacityschools.org)

## File a 2021 Tax Return to Get the Remainder of Your 2021 Child Tax Credit

Many families got up to half of their estimated **2021 Child Tax Credit** as advance payments last year. Here are **three** steps to getting the rest of your credit:

### Step 1: Review Letter 6419

- You should have received this letter in January 2022 if you received advance Child Tax Credit payments in 2021.
- It shows the amount of advance payments you received and the number of qualifying children the payments were based on.
- You or your tax preparer will use this information to figure your remaining credit accurately.
- If you misplaced your letter, you can look up your information using the IRS's **CTC Update Portal** or **Online Account**.

### Step 2: Claim the Rest of Your 2021 Child Tax Credit

- File your 2021 federal tax return and claim the Child Tax Credit, if you're eligible.
- Choose direct deposit if you're getting a refund. Make sure your bank account information is correct.

### Step 3: Get Paid!

- After you file your return, you can check on the status of your refund using the **Where's My Refund?** tool on IRS.gov or the mobile app **IRS2Go**.
- You can check within 24 hours of e-filing or within four weeks of mailing a return. Updates to the online tool are made daily, usually overnight.
- To use this tool, you need your Social Security number, filing status and the exact whole dollar amount of your refund.

### Important Information

- » Filing a tax return is the only way to get the remainder of your 2021 Child Tax Credit.
- » Electronic filing with direct deposit is the safest and fastest way to get a tax refund.
- » Many people qualify for free e-filing through **IRS Free File** or at a volunteer tax preparation site.
